- All prices exclude GST.
- Prices exclude sealant, recommended mortar additives, pallets and wrapping. Pallets and wrapping are \$30 per pallet.
- Weights are approximate and based on the ambient density after curing.
- Colours are extra and will range from approximately 10% to 20% more depending upon the colour selected.
- Prices to be received in conjunction with the Ligna Victoria Pty Ltd terms and conditions.
- Load bearing blocks are minimum 5MPa compressive strength in accord with the Australian Standards.
- \$180 + GST minimum delivery cost charged by our external Brick Cartage company.
- \* The Super Insulator block price will vary depending upon the density of the styrene used. Noted price assumes M Grade. Price needs to be confirmed prior to order.
